THE MUSTANG

1960 — VOLUME 6

FROM THE EDITOR-IN-CHIEF

KAREN THOMPSON

We realize that our high school days have held some of the happiest moments of our lives.

The 1960 MUSTANG staff has worked intensely to recapture the more memorable moments, and with this intent the staff proudly presents this year's MUSTANG.

To the seniors the MUSTANG means not only the conclusion of their high school days, but also the beginning of a new and exciting future ahead.

To the underclassmen it means that the remaining days of high school will hold happy memories as they prepare themselves for their future.

To the '60 MUSTANG staff it means the closing of a wonderful year of working to complete this year's yearbook.

We trust that the 1960 MUSTANG will help relive school memories each time you browse through its pages.

MISS BOYSE

Miss Boyse has lived in our community all of her life. Her first eight years of schooling were at the County Line School on Willard Road. She entered Clio High School in the fall of 1923 and graduated in June of 1927. She attended the University of Michigan where she received her B. A. degree. Having majored in English at the University, she now teaches English 12 and Latin. Previously she taught in elementary and junior high schools.

She has been the Y-Teen advisor at Clio and the high school advisor of girls at Ohio University.

Her hobbies are sewing, refinishing furniture, and gardening. For recreation she likes photography, reading, and traveling. During the summer of '59 she undertook a world tour which included Russia and Africa.

Miss Boyse was honored, too, by having her name used as part of the newly reorganized Alice Boyse Future Teachers Club of Clio High School.

It is with deep respect, Miss Boyse, that we dedicate our 1960 yearbook to you.

In our opinion, you definitely deserve this distinction. For many years you have challenged and inspired youth, always giving freely your intellectual talents to education. Your example as a teacher has endeared you to all of us.

PRINCIPAL'S MESSAGE

MR. WOOLSON

To help commemorate the graduation of the class of 1960 and salute the lowerclassmen of the Clio Area High School, I can think of no better man than John Dewey, whose centennial was celebrated on October 20, 1959. Mr. Dewey was one of America's greatest philosophers and educators. One of his statements on education is as follows:

"The only true education comes through the stimulation of the child's powers by the demands of social situations in which he finds himself. Through these demands he is stimulated to act as a member of a unity, to emerge from his original narrowness of action and feeling, and to conceive of himself from the standpoint of the welfare of the group to which he belongs."

The philosophy of education taken by the Clio Area High School runs truly along these paths. If you have attained knowledge, grown in stature, and gained self-confidence with which to face the future, the school will have accomplished its purpose.

My sincere best wishes go with the graduates of 1960.

COUNSELOR'S MESSAGE

WHAT ARE THE GUIDANCE SERVICES?

Probably no other term in education has been defined in so many ways, or has been assigned so many purposes as the word guidance. Since guidance permeates almost every activity of the school, let us confine ourselves to guidance services within the Clio Area Schools.

Guidance services, as applied to Clio Schools, should be thought of as organized activities designed to give systematic aid to pupils in solving their problems and in making adjustments to various situations which they must meet. These activities should assist each pupil in knowing himself as an individual and as a member of society, in making the most of his strengths and in correcting or compensating for weaknesses that interfere with his progress in learning about occupations so that he may intelligently plan and prepare, in whole or in part, for a career in learning about educational opportunities available to him, and in discovering and developing creative and leisure interests.

These objectives should be achieved through co-operative relationships among the home, school, and community, through a closer co-ordination of the work of the high school and the sending schools, through use of a system of cumulative records and reports, through interpretation of adequate and specific data concerning the individual pupil, through a comprehensive and effective system of counseling, through co-ordination of the work of the school and community agencies, and through definite provisions for articulating the work of the school with the needs of the individual after he leaves school.

Remember, the Guidance Services are for YOU! we are sincerely interested in your adjustment and progress while attending Clio Area Schools. No problem is too small or too great for our consideration. The aids and objectives aforementioned are sincerely being tested and your co-operation in allowing us to help you is as important as the machinery of the program itself. Let Guidance be a tool to guide you through the many phases of school life. In all our efforts, we try to view the time as NOW!

Sincerely,

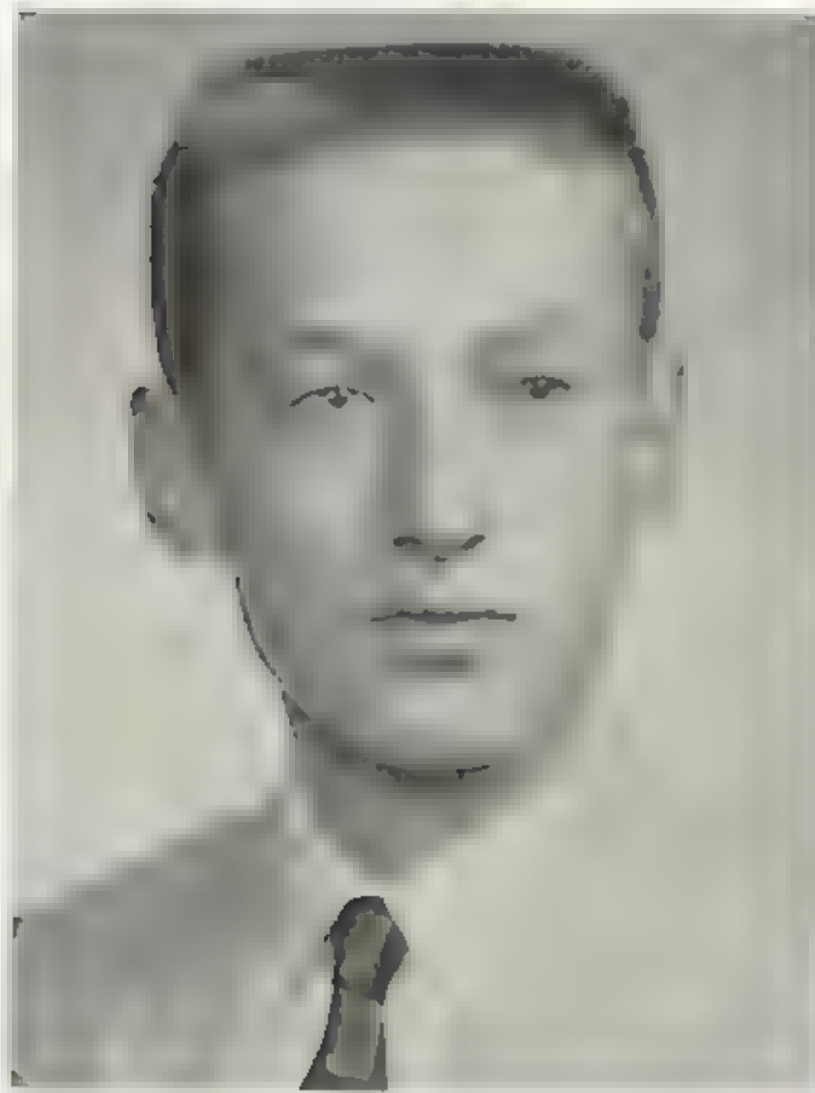

Mr. Jankowske

SHAKESPEARE

IN MEMORIAM . . .

RUDY NIEC

A tragic mishap claimed the life of Rudy Niec on Saturday, January 23, 1969. Rudy, a senior, was killed instantly when he was thrown from a tractor on which he was riding.

A member of the band, Rudy played the clarinet and tenor saxophone for six years. He was also active in intramural basketball. He spent his spare time hunting, fishing, and participating in Clio's horse shows and rodeos.

Rudy will always remain in the hearts of all who knew him.

Psalm: 22

The Lord is my shepherd; I shall not want.
In verdant pastures he gives me repose;
Beside restful waters he leads me; he refreshes my soul.
He guides me in right paths for his name's sake.
Even though I walk in the dark valley
I fear no evil; for you are at my side
With your rod and your staff that give me courage.

JUNIOR HIGH

*This is the state of man: today he puts forth
The tender leaves of hope: tomorrow blossoms...*

SHAKESPEARE

PRINCIPAL'S MESSAGE

MR. ELLIS

Once again it is a privilege for the Clio Area Junior High School to be a part of the 1959-60 Mustang annual. It will enable our students to have a permanent record of their Junior High School activities.

In a far more important area, however, the annual serves a greater purpose. It presents to our young students the many, many opportunities that lie ahead of them in their high school career, one of which could be employed as a springboard to a future occupation and a happy, successful life.

As one of our most famous American military officers once said, "Life does not offer security, only opportunity." These years are formulative ones for our students - use them wisely.

TOURNAMENT PLAY

This year, as last year, Clio's Mustangs made an impressive showing in the tournaments. The team topped District Honors at Lakeville by defeating Lakeville and Mt. Morris. In the Regional semis at the I. M. A. the squad defeated Durand's Railroaders before bowing to Bendle in the final. The team and Coach Moon deserve much credit for a job well done. Below are shots of the team at Lakeville.

Si starts game off - Bill, Steve and Chris are poised for action.

Clem hits for two - Si is set for a rebound.

WOLVERINE GIRLS' STATE

The purpose of Wolverine Girls' State is to acquaint Senior girls with the basic fundamentals of city and state government. This year's candidate Marian Shultz, says of her ten day stay, "This is one experience I will never forget. I met many wonderful people and gained insight into the principles of our government. My sincere thanks to the students, teachers, and Neeley LaBar Unit of the American Legion Auxiliary, all of whom made it possible for me to attend."
